Harlingen Announces Monthly Food Distribution Schedule

Harlingen, Texas—The City of Harlingen and the Food Bank RGV announce that three food distributions have been scheduled for 2022. This is a continuation of a community effort that began in April 2020, when the Coronavirus Pandemic was at its highest levels and so many people needed help because they were out of a job.

That year, the City and Food Bank distributed 501,282 pounds of food benefiting 40,115 people. In 2021, 1,117,628 pounds of food were distributed to 88,196 people.

The food bank provides the food and City employees distribute it at the Harlingen Soccer Complex. There are no requirements other than people not getting off their means of transportation and only two families per vehicle.

The distribution schedule is as follows.

January 19, 2022

February 16, 2022

March 23, 2022

The Harlingen Soccer Complex is located at 4515 East Harrison. More dates could be added if food is available.
