Private Company to Offer COVID-19 Testing in Harlingen

Harlingen, Texas– A COVID-19 testing site will open in Harlingen from January 10 thru the 14 due to the increased demand for test availability. The site will be operated by EZ Testing, a private company that is providing the tests and staff. Both Rapid and PCR Nasal Tests will be available according to the company’s Operations Manager, Dante Hicks.

The free testing will be done at the Harlingen Sports Complex from 8 a.m. to 5 p.m. Jan 10-14. Appointments are not needed.

Questions can be addressed by calling (956) 353-6055, emailing j.flores@volveracasaproviderservices.com, or visiting their site at <https://volveracasa-providerservices.com>
