Harlingen Welcomes New City Engineer

Harlingen, Texas—Meet the new Harlingen City Engineer, Luis Vargas. He comes to Harlingen from Corpus Christi where he served as the Lead Engineer for the City's Utilities Department.

He has 10 years of public service experience most recently served as the Interim Engineering Design Manager leading a team of 16 employees.

Vargas is a Licensed Professional Engineer and is a qualified windstorm Inspector with the Texas Department of Insurance. He is also pursuing a Project Management Professional (PMP) Certification from the Project Management Institute.

He holds a Bachelor of Science in Mechanical Engineering from the University of Texas-Pan American and is working on a Bachelor of Science in Electrical Engineering from Texas A&M University-Corpus Christi.

His first day on the job was March 7, 2022. The City of Harlingen welcomes Luis Vargas.
