Harlingen Announces Early Voting Locations for May 7 General & Special Election

HARLINGEN, Texas– On May 7, 2022, registered voters in Harlingen will get a chance to cast a ballot for Mayor, Commissioner District 1, Commissioner District 2, and three propositions.

Proposition A asks voters to vote for or against amending the City Charter allowing the Mayor to appoint two members and each City Commissioner to appoint one member of the Harlingen Airport Board.

Proposition B asks voters to vote for or against amending the City Charter, establishing term limits for the Mayor and Commissioners, limiting each person to four three-year terms.

Proposition C asks voters to vote for or against amending the City Charter to schedule the Regular Municipal Elections for November instead of May.

This year, the Cameron County Elections Department is running the election and will provide 20 polling locations throughout the County for early voting from April 25 thru May 3. Harlingen registered voters will be able to cast their ballot at any of the CAMCO polling sites.

Four of these sites will be in Harlingen: City Hall, Harlingen Cultural Arts Center, Harlingen Convention Center, and the CAMCO Annex Building.
