Meantime, the City of Harlingen Commission will meet soon to canvass the votes for the May 7 Election. The official count is required to certify the election. The purpose is to account for every ballot cast and ensure that every vote cast is included in the election totals. Once the votes are canvassed, the Mayor-Elect, Norma Sepulveda will be sworn in.

The date for the canvassing and run-off election could be announced by the end of the week. Click the link below to view the Cameron County Elections Results page.
