CHOOSE HARLINGEN FOR BUSINESS AND MORE

(**HARLINGEN, TEXAS – Oct. 13, 2020**) – The Harlingen Economic Development Corporation has launched a campaign that will feature Harlingen based companies doing business in Harlingen and telling us why they choose Harlingen.

Companies choose to do business here because of our many advantages such as accessibility, proximity to Mexico, vast opportunities for growth, and great support from the city.

Here in Harlingen you can find industries that range from healthcare, aerospace, metal fabrication, auto manufacturing, logistics, and electronic manufacturing to a vibrant historic downtown full of unique shopping and dining options, flavorful family-owned restaurants, boutiques, and cafes.

All these businesses share one thing in common, *they choose to do business in Harlingen.*

Choose Harlingen is their opportunity to tell us more about their company and the work they do here, the products they create, the talent they hire, and why Harlingen is the perfect place to grow their business.

See more about the campaign that features textile company PolySachi Polymers by going [here](#).
