## Monthly Food Distributions to Continue In Harlingen

**Harlingen, Texas**—The City of Harlingen has again partnered with the Food Bank RGV to continue with food distributions through the end of the year.

This endeavor began in April 2020 at the height of the Coronavirus Pandemic when so many were without jobs and in need of help. Since then, The City of Harlingen has held two food distributions per month at the Harlingen Soccer Complex. To date, 908,005 pounds of food have been distributed to more than 17,500 families in our community.

The food bank provides the food and City employees handle the distribution using a drive-thru method. There are no requirements other than you can't get off the vehicle and only two families per car.

The next distribution is scheduled for July 21 from 9-11 a.m. and it will again be held at the Harlingen Soccer Complex located at 4515 East Harrison.

The schedule for the rest of 2021 is as follows.

- August 11 & 25
- September 8
- October 13
- November 10
- December 8
