2nd Dose Vaccine Clinic for 12 & Older in Harlingen Saturday

HARLINGEN, Texas –It's time for your 2nd dose if you received the Pfizer Vaccine at the Harlingen Convention Center (HCC) on May 15. The City of Harlingen will hold a vaccination clinic on Saturday, June 5 for the 600+ people that are now due for the 2nd dose and all you need is your vaccine card. The vaccines will be available from 10 a.m. – 2 p.m. with the help of the Harlingen Consolidated Independent School District, Valley Baptist, and the South Texas Emergency Care Foundation. The first dose of Pfizer will also be available to anyone interested in getting the vaccine.

No pre-registration, appointment, or IDs are required for Saturday's clinic but parents/guardians/responsible adult must accompany the minor to get the vaccine.

The City will also have Moderna Vaccines available for anyone needing either a first or second dose. As a reminder, the Moderna Vaccine is only for those 18 and older. English and Spanish consent forms will be available on-site for both vaccines.

Access to HCC for Saturday's clinic will be through Brazil Road off of Spur 54.

When: Saturday, June 5, 2021, 10 a.m. – 2 p.m.

Where: HCC- 701 HGN Heights Drive

Who: 12 years and older
