Harlingen to Hold 2nd Dose Moderna Vaccine Clinic This Week

Harlingen, Texas—It's time for dose number two for those that got the first dose of the Moderna Vaccine on April 7 at the Harlingen Convention Center (HCC). The City of Harlingen will administer 3,000 2nd doses of the vaccine on Friday, May 7, 2021, at HCC from 6 a.m. - 12 p.m.

This is the ninth clinic for the City and one of the largest since partnering with the County to host and administer the vaccines. To administer these 3,000 doses, the City has again partnered with Cameron County Public Health, Valley Baptist Hospital, South Texas Emergency Care Foundation, and the Harlingen Consolidated Independent School District.

Wristbands are not needed to get the 2nd dose however those getting one should remember to bring their vaccination cards.

Access to the Harlingen Convention Center for Friday's clinic will be through Brazil Road off of Spur 54.

Brazil Road will be closed to through traffic until 5 a.m. to discourage overnight parking.

For additional information, those

interested can call (956)216-5036.
