## **Shopkins Performance Cancelled by Promoter**

**Harlingen, Texas**– The City of Harlingen regrettably announces the Shopkins performances scheduled for November 2 at the Harlingen Municipal Auditorium have been cancelled. The promoter, Footprints Promotions did not give the City a reason for the cancellation.

Arts & Entertainment and Museum Director, Joel Humphries says he's as surprised and disappointed as the customers who were looking forward to the performances to receive the news. "One of the things that make live theater unique is that anything can happen– including the show not taking place. And unfortunately, that's what happened with this performance."

Humphries says everyone who purchased a ticket will get a refund. He and his staff are currently working to determine the fastest and easiest way to offer the refunds.

Customers will be notified as soon as the refunds are available. Customers who provided an email address will receive refund updates that way. All other customers are encouraged to call the ticket office at (956) 216-5990 to verify their mailing address, phone number, and email address.

Again, we regret to inform the community that the two performances scheduled for today, November 2, at the Harlingen Auditorium have been cancelled by the promoter.
