TxDOT to Close Portion of Spur 54 Starting Monday

Harlingen, Texas—Drivers who use Spur 54 near Sam’s Club and Bass Pro Shops will be detoured starting Monday, October 28, 2019.

The Texas Department of Transportation will close the segment between both intersections of Spur 54 and Bass Pro Drive in order to complete some irrigation work.

The intersections will remain open for drivers to turn on to Bass Pro Drive or toward Sam’s Club. Drivers wanting to continue on Spur 54 west or east will have to use the detour around Bass Pro Drive to get back on Spur 54.

TxDOT anticipates the small closure will last two to four days.

News From The City of Harlingen

The City of Harlingen reminds drivers to observe all traffic signs and laws, especially in construction zone areas. Please slow down and let the workers complete the improvements on Spur 54.
