Texas Military Returning to Harlingen to Provide Second Doses of Pfizer

Harlingen, Texas—The Texas Military Department and The Texas Department of Emergency Management will administer 400-second doses of Pfizer on Saturday, April 17, 2021, at the Harlingen Soccer Complex located at 4515 East Harrison. These doses are for the 400 people that got the first dose with them on March 27.

The state will administer the vaccines between 9 a.m. and 1 p.m. This will be a drive-thru vaccine clinic. Residents are asked to return for their second dose at the same time they received the first one.

A wristband is not needed to get the second dose but you will need to bring your vaccine card.

Again, this Pfizer Vaccine Clinic will be held on Saturday, April 17 at the Harlingen Soccer Complex from 9 a.m. – 1 p.m.
