Harlingen Distributing Sandbags Wednesday

Harlingen, Texas– The City of Harlingen is making sandbags available to residents and businesses on Wednesday, August 18, as Grace continues to strengthen. The sandbags will be available at the Public Works Facility and they will help residents as they prepare for possible heavy rainfall over the next few days.

From 8 a.m. to 6 p.m. residents can drive through and pick up the pre-filled bags. They will just have to show their ID verifying their Harlingen address and a water bill showing they have garbage service with the City.

Residents will be allowed six bags and businesses 12. The City’s Public Works Facility is located at 404 South 54th Street.

Everyone is encouraged to stay abreast of weather conditions and to avoid driving through water should roadways become inundated.
