Cold Weather Warning

**If It's Too
Cold For You,
It's Too Cold
For Them.**

Bring Your Pets Indoors &
Report Pets You See Left Outside

Keep pets sheltered

Keep your pets inside with you and your family. Under no circumstances should pet cats be left outdoors, even if they roam outside during other seasons. Dogs are happiest when taken out frequently for walks and exercise but kept inside the rest of the time. No matter what the temperature is, windchill can threaten a pet's life. Exposed skin on noses, ears and paw pads are at risk for frostbite and hypothermia during extreme cold snaps.

Don't leave pets outdoors when the temperature drops.
